### Caros Atletas,

É com imensa satisfação que vos apresentamos o acervo fotográfico do evento de 2007. É nossa intenção que estas fotos de alta qualidade vos motivem ainda mais a participar e a encontrar as parcerias e patrocínios que viabilizem esse vosso projecto. Por isso, estejam à vontade para enviar estas fotos aos vossos apoios e aos meios de comunicação que vos acompanham para promover a vossa equipa e o vosso projecto XPD 2008.

Para vos ajudar a seleccionar as fotografias organizamos os ficheiros comprimidos e as fotos da seguinte forma:

- Os ficheiros comprimidos do tipo RAR incluem cada um diversas fotos numeradas de entre os limites indicados na última parte do nome do ficheiro RAR (#####-#####)

- Os nomes das fotografias incluem a designação do evento (XPD07)\_o ano(2007), o mês(12), o dia(##)\_ a hora(##), os minutos (##), os segundos(##)\_o nome do fotografo(PCalisto)\_o numero da foto(#####). Ex: o ficheiro da fotografia **XPD07\_20071206\_071338\_PCalisto\_0001.JPG** , representa uma foto captada por Paulo Calisto no primeiro dia de prova (06/12/2007) às 07h13m38s (Partida junto à Câmara Municipal de Cascais ).

- Foi também preparado um arquivo com todas as miniaturas das fotos (XPD07\_All\_Photos\_Thumb\_Size.zip) com cerca de 2000 *thumbs* para auxiliar a visualização e selecção das fotografias.
